

Ayushmaan Mishra

Full-Stack Developer | MERN Stack | Backend Development

+91 9149084611 | ayush8171wiz@gmail.com | github.com/wiz0007 | ayushmaanmishra.online

PROFESSIONAL SUMMARY

Full-Stack Developer Intern with hands-on experience in MERN stack development, RESTful APIs, authentication systems, and database-driven applications. Strong foundation in data structures, backend engineering, and secure application development, with experience building responsive interfaces, scalable backend services, and end-to-end product features.

EXPERIENCE

Full-Stack Developer Intern | ModelSuite.AI

09 July 2026 - Present

- Contribute to frontend and backend development across application features, maintenance, and assigned workflows.
- Build reusable UI components, integrate APIs, and support reliable end-to-end application functionality.
- Investigate bugs, test fixes, and collaborate with the team through structured Git-based development workflows.

PROJECTS

E-Commerce Application | MERN Stack

- Developed user authentication, product management, cart functionality, and payment gateway integration.

Community Chat Application | MERN Stack, Socket.io

- Built real-time messaging with user authentication, persistent conversations, and secure communication workflows.

SkillSphere - Skill Sharing Platform | React, TypeScript, Node.js, MongoDB

- Created a mentor-learner platform with role-based access, structured skill listings, booking, and collaboration features.

Fantasy Game Application | Full-Stack Web Application

- Implemented team creation and live match performance-based point calculation workflows.

Hotel Management System | Backend-Driven Application

- Developed room, booking, customer, and service management workflows using a structured backend system.

Portfolio Website | React, SCSS

- Designed a responsive developer portfolio to showcase projects, experience, certifications, and contact information.

EDUCATION

Bachelor of Technology (B.Tech) in Computer Engineering

College of Technology, Pantnagar | 2022 - 2026

Intermediate (PCM) - 96%

Shivalik Holy Mount Academy, Kashipur | 2021

CERTIFICATIONS & TRAINING

- Web Development Training - Internshala
- Programming with Python - Internshala
- Programming with C & C++ - Internshala
- Core Java - Internshala
